## **EXTRACT FROM ADMISSION RULES**

**to Kharkiv National University of Construction and Architecture  
in 2019**

## **Rules of admission to Kharkiv National University of Construction and Architecture in 2019**

The implementation of educational activities in Kharkiv National University of Construction and Architecture is carried out in accordance with the license of Ministry of Education and Science of Ukraine.

The implementation of educational activities in Kharkiv National University of Construction and Architecture is carried out in accordance with the license of Ministry of Education and Science of Ukraine.

The admission rules were developed by the Admissions Committee of Kharkiv National University of Construction and Architecture (hereinafter referred to as the Admissions Committee) in accordance with the Conditions for Admission to Education in Higher Education Institutions of Ukraine in 2019 (hereinafter referred to as Admission Conditions), approved by order of Ministry of Education and Science of Ukraine dated October 11, 2018 No. 1096 and registered with Ministry of Justice of Ukraine on December 21, 2018 under No. 1456/32908. Admission rules are valid during the calendar year.

### **XIII. Features of admission to the training of foreigners and stateless persons**

1. Admission to study at KhNUCA for foreigners and stateless persons is carried out in accordance with the Law of Ukraine "On Higher Education", "On the Legal Status of Foreigners and Stateless Persons", "On Foreign Ukrainians", "On Refugees and Persons in Need of Additional or Temporary protection", by Decree of the President of Ukraine of June 03, 1994 No. 271 "On Measures for the Development of Economic Cooperation of the Regions of Ukraine with the Related Areas of Republic of Belarus and Administrative-Territorial Units of Republic of Moldova", by decree of the Cabinet of Ministers of Ukraine No. 684 of September 11, 2013 "Some issues of recruitment for training foreigners and stateless persons", by the order of Ministry of Education and Science of Ukraine No. 1541 of November 01, 2013 "Some issues of organizing recruitment and training (internships) of foreigners and stateless persons", registered with Ministry of Justice of Ukraine on November 25, 2013 under No. 2004/24536.

2. Foreigners and stateless persons (hereinafter referred to as foreigners) may receive higher education at the expense of individuals and / or legal entities, unless otherwise provided by international treaties of Ukraine, whose consent is granted by the Verkhovna Rada of Ukraine, legislation or agreements between universities on international academic mobility.

Admission of foreigners in KhNUCA for training at the expense of the state budget is carried out within the quota for foreigners.

3. Foreigners arriving in Ukraine for the purpose of training, enter to Kharkiv National University of Construction and Architecture on accredited educational programs (specialties).

The enrollment of applicants from among foreigners to study at the expense of individuals and / or legal entities can be carried out by KhNUCA:

1) once a year (no later than November 1), to obtain bachelor's and master's degrees;

2) for a year for postgraduate, adjunct, doctoral studies.

Kharkiv National University of Construction and Architecture calculates the points / marks of the applicant on the basis of the document on the previous level of education received and sets the minimum required for entry value of the number of points / marks on the general subjects for which the entrance exam is held.

Enrollment of foreigners to study at an appropriate level of higher education is carried out based on the results of entrance examinations in certain subjects and language of instruction and on the basis of academic rights to continue studying provided by a document confirming education in the country of its origin, and taking into account success points, giving the right to continue studies at the next level of higher education in accordance with the legislation of the country that issued the degree certificate (levels) of education.

Persons entering a bachelor's degree program on the basis of a complete general secondary education, pass entrance exams in the language of instruction and mathematics.

Persons entering the training to obtain a bachelor's degree on the basis of the educational qualification level of an associate specialist, pass an entrance examination in the language of instruction and a professional entrance test in the relevant specialty.

Admission on the basis of a bachelor's degree to study for a master's degree is carried out according to the results of the entrance exam in the language of instruction and the professional entrance exam in the relevant specialty.

4. All categories of foreigners who come to study are credited to KhNUCA on the basis of orders on crediting, formed in the Unified Database.

5. Coming from a number of foreigners who arrived in Ukraine for the purpose of training, must meet the following requirements:

1) For higher education degrees are accepted:

Persons who have received a complete general secondary education or educational qualification level of a junior specialist, - to obtain a bachelor's degree;

persons who have received a bachelor's degree, master's degree (specialist's educational qualification level) - for obtaining a master's degree;

persons who have received a master's degree (specialist's educational qualification level) - to obtain the degree of doctor of philosophy.

To obtain a higher education degree in another specialty, persons who have previously received the same or a higher degree (level) of higher education are also accepted, or receive it for at least one year and fully implement the individual curriculum.

2) Applicants are accepted for training in the first year. Persons who have an educational qualification level of a junior specialist may be taken on the second (third) course or on the first course (with a shortened education period). For obtain a bachelor's degree in another specialty, persons may be taken to the first or senior courses (including those with a shortened education period).

3) Admission to training is carried out in the specialties (specializations) in accordance with the List of branches of knowledge and specialties for which candidates for higher education are prepared, approved by Resolution of the

Cabinet of Ministers of Ukraine No. 266 of April 29, 2015

Admission to the fifth year of extramural form of study is carried out in the specialties (areas of training) in accordance with the list of specialties, areas of training, in which admission to the first year of the relevant year of enrollment, is carried out in the specialties (areas of training) in accordance with the list of specialties, areas training, which was carried out on the first course of the relevant year of recruitment.

Conducting entrance examinations and enrollment of foreigners and stateless persons who arrived in Ukraine for the purpose of training and enter the Kharkiv National University of Construction and Architecture is held within 10 days from the date of receiving the application.

6. Foreigners who are granted state scholarships under international treaties, national programs, and other international obligations of Ukraine are accepted for study within the established quotas for foreigners on the basis of directions from Ministry of Education and Science of Ukraine.

7. Foreigners arriving in Ukraine to participate in academic mobility programs or to obtain higher education in accordance with educational programs agreed upon between the Ukrainian and foreign higher education institutions are accepted for training taking into account the relevant contractual obligations of the relevant higher education institutions.

8. Foreign Ukrainians, who are legally in Ukraine and whose status is certified by a certificate of foreign Ukrainian, when entering the university, enjoy the same rights to receive education as citizens of Ukraine, , with the exceptions established by the Constitution of Ukraine, laws of Ukraine or international treaties, consent to be bound by the Verkhovna Rada of Ukraine.

Foreign Ukrainians, whose status is witnessed by a certificate of a foreign Ukrainian, may be enrolled in training under a state order within the established quotas for foreigners in an interview on subjects prescribed by the Admission Rules.

9. Foreigners and stateless persons who permanently reside in Ukraine, persons who have been granted refugee status in Ukraine, and persons who need additional or temporary protection and enter KNUSA according to the rules stipulated by these Rules for citizens of Ukraine can participate in the competitive selection to the places of state order within the quotas established by the Cabinet of Ministers of Ukraine on the basis of a special competitive score, which is calculated as the ratio of the applicant's competitive score, defined in responsible with the seventh paragraph of the VI to this Regulation, up to the minimum competitive score providing recommendations for places of state order for the general competition for this competitive offer in the previous year (in the absence of such a score, a similar indicator is used for another, most closely related, competitive offer within the institution of higher education, in the event of impossibility — another institution of higher education by decision of the selection committee).
